## *A Reflection for All Saints' Day*

Many are the saints we celebrate on November 1st. We know some of them by name. They are celebrated in the liturgical calendar. But in this "great crowd", many are anonymous. They were considered lost, but they are alive, close to God, participating in the fullness of his love. They believed and loved at the heart of their lives. That is why they are close to God.

Holiness is also our vocation. The baptism we have received has made us the son and the daughters of God. Do not think that holiness is not for us. If we think that, it is because we are creating a false idea of holiness. It is not to do extraordinary things, to accomplish wonders. It is enough to love in the reality of our lives, whatever the cost.

Baptized, we are the sons and daughters of God. It is by living this filial relationship, day after day, that we become saints. Holiness is a gift of God. It is he who makes us saints. Do not be afraid of holiness!

*Fr Jacques Hamel*

**SICK AT HOME OR IN HOSPITAL**

If anyone is seriously ill at home or is in hospital, it is most important that a priest be informed so that the sick person may receive the spiritual help of the sacraments. Relatives or friends should inform their parish priest their parish priest and/or the Catholic chaplain of the hospital (*at King George Hospital, 8590 9026; at Queen's Hospital, 01708 477890 (Helen Miranda); at Whipps Cross Hospital, 8520 5877*).

---

---

**GOING INTO HOSPITAL?**

I draw your attention to the *Sick Parishioner Care* forms at the back of church. Please take one if you are going to hospital and wish the Catholic chaplain to look after you!
